June Newsletter

- Please note that there will be no classes on the following dates:
Tuesday June 29th, Monday July 5th and Tuesday July 6th
We break up Saturday July 10th and return Saturday September 4th
- Summer school dates will be available soon. As the holidays are a long time to go without ballet training for those more serious ballet students private lessons will be available, please book.
- Please check out our website as it is always being updated with dates and times and you can download newsletters and show packs.
- Please remember to sign up for backstage help with Moya as soon as possible and please remember that help is needed by fathers only for the boys changing room and mothers only for the girls, thank you.
- Show programmes are priced at £1 and will be available to purchase on show days. The photographs we took in May of the children are represented in the programme so it is a lovely souvenir.
- Posters are available of the show to display in prominent places, if you are able to put one up please come and ask Rebecca. They cannot be given out as souvenirs, sorry.
- Look out for us in the Liphook Herald either this week or next week. Show tickets are selling fast, please come and get them from Rebecca or Anne/Moya at any lesson.
- A reminder that children need to arrive at least 15 minutes before their time slots over the rehearsal week end, thank you.
- The show is looking good and I know the children will love performing to you all!
