We appreciate that there is a lot of information in this newsletter. Please take the time to read and digest its contents and ask any questions that may arise.

Throughout these unpredictable times, LAD parents and students have been faithful and dedicated and against all the odds dance has kept us all going. The future is unknown but we are positive and will continue to provide dance lessons to all despite the many challenges that have presented. A massive thankyou to you all for your continued support.

Wishing you all a brilliant summer break. We will return in September full of enthusiasm for preparation for hopefully a Christmas Show.
